ULTRA MINI MOUSE

The VP6152 Ultra-Mini mouse is a lipstick-sized wireless travel mouse that is comfortable enough to use every day. With left, right, center clickable scroll wheel, it has all the features you would expect from a desktop mouse at a fraction of the size.

There is no need to bring disposable batteries or cables, the VP6152 is an excellent travel companion. The small USB receiver docks when not in use. The mouse attaches to the USB receiver magnetically to recharge in under an hour.

A convenient carrying pouch is included.
